

Preliminary Amendment  
In re Lee et al.  
Appl'n No. 10/692,627

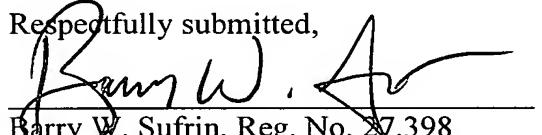

**Remarks**

The above noted amendments to the specification have been made so as to correct typographical and other readily apparent errors encountered during a review of the specification.

Applicants submit that no new matter is introduced by the proposed amendments to the specification. Support for the above amendments to the specification can be found in the original specification as filed throughout the text.

In order to facilitate the resolution of any issues or questions presented by this paper, the Examiner should directly contact the undersigned by telephone.

Respectfully submitted,
